### Extracurricular Activities

---

NaijaBuzz300 | Blogger  
September, 2020 - December, 2021

Key responsibilities:

- Increased site traffic averagely over 30%
- Email signups increased steadily by 10% to 15% per month
- Awarded blogger of the month twice in the establishment

Freelance Wordpress Website Builder  
2020 - Present

A self-motivated and adaptable front-end web developer seeking an internship position to further develop my technical skills in HTML, CSS, JavaScript, React and other web technologies. With a keen eye for design and a passion for creating intuitive user interfaces, I aim to contribute to innovative web applications while learning from experienced professionals.

### Experience

---

Kadahive Tech Hub | Front-End Web Developer Intern  
May, 2023 - June, 2023

Key responsibilities:

- Used Chrome dev tool for browser testing and debugging of the company's clients websites
- Assisted the Head SEO strategist in updating and implementing latest SEO techniques to existing and new company projects
- Created a responsive event landing page using CSS, JavaScript and HTML for the company
- Wrote technical documentations and updated user guides for the end users to easily understand the application
- Worked with the UI/UX designers to ensure the technical feasibility of the designs

Tomato Jos Farming & Processing LTD | Procurement Officer  
June, 2021 - April, 2023

Key responsibilities:

- Review procurement documents and prepare orders.
- Develop and monitor cost-reduction strategies.
- Develop and monitor purchasing policies.
- Negotiate contracts with suppliers.

### Trainings & Certifications

---

- **Meta Front-End Developer Professional Certificate (Coursera)** - Currently Ongoing
- **Responsive Web Design Course (FreeCodeCamp)** - Completed (March, 2023 - June, 2023)
- **Web Development (Kadahive Innovation and Technology, Nigeria)** - Completed (March, 2023 - May, 2023)

### Volunteer

---

Urban Shelter Ltd | Technical Writer  
July, 2022 - November, 2022

Saw an increase in engagement all over the company's platforms
